

CURRICULUM VITAE
James Gordon, PT, EdD, FAPTA
February, 2020

I. PERSONAL INFORMATION

Full name James Edward Gordon

Home Address 1708 South First Avenue
Arcadia, CA 91006
(626) 665-6130

University Address University of Southern California
1540 East Alcazar Street
Los Angeles, CA 90089-9006
(323) 442-1538
email: jamesgor@usc.edu

Education

Postgraduate

Center for Neurobiology & Behavior, Columbia University
New York, NY
Postdoctoral Fellowship (NRSA), Neuroscience, 1985-1987

Graduate

Teachers College, Columbia University
New York, NY
Ed.D., Movement Science, 1985

Teachers College, Columbia University
New York, NY
Ed.M., Movement Science, 1983

Teachers College, Columbia University
New York, NY
M.A., Movement Science, 1981

Undergraduate

SUNY, Downstate Medical Center
Brooklyn, NY
B.A., Physical Therapy, 1974

Academic Appointments & Administrative Positions

2009 – present Professor, Associate Dean and Chair, Division of Biokinesiology and Physical Therapy at the School of Dentistry, University of Southern California, Los Angeles, CA.

2006 – 2009 Associate Professor, Associate Dean and Chair, Division of Biokinesiology and Physical Therapy at the School of Dentistry, University of Southern California, Los Angeles, CA.

2000 – 2006 Associate Professor and Chair, Department of Biokinesiology and Physical Therapy, University of Southern California, Los Angeles, CA.

1995 – 2000 Professor of Practice and Program Director, Program in Physical Therapy, Graduate School of Health Sciences, New York Medical College, Valhalla, NY.

- 1990 – 1994 Assistant Professor, Program in Physical Therapy, College of Physicians and Surgeons, Columbia University, New York, NY.
- 1987 – 1995 Research Scientist, Center for Neurobiology & Behavior, College of Physicians and Surgeons, Columbia University, and NYS Psychiatric Institute.
- 1985 – 1987 Post-doctoral Fellow, Center for Neurobiology & Behavior, College of Physicians and Surgeons, Columbia University.

Other Previous Employment

- 2001 Lecturer, Department of Physical Therapy, Loma Linda University, Loma Linda, CA.
- 1997 – 2000 Lecturer, Neuroanatomy courses, Program in Physical Therapy, SUNY - Downstate Medical Center, Brooklyn, NY.
- 1996 – 2000 Lecturer, Neuroanatomy course, College of Medicine, New York Medical College, Valhalla, NY.
- 1999 Lecturer, Neuroanatomy courses, School of Medicine, SUNY - Downstate Medical Center, Brooklyn, NY.
- 1995 – 1996 Adjunct Assistant Professor of Physical Therapy, Program in Physical Therapy, College of Physicians and Surgeons, Columbia University.
- 1989 – 1996 Lecturer, Postgraduate Review Course in Neuroanatomy, Neurophysiology & Neuropharmacology, College of Physicians and Surgeons, Columbia University.
- 1993 – 1996 Visiting Lecturer, Department of Physical Therapy, Beaver College, Glenside, PA.
- 1992 Physical Therapy Consultant, Rainbow School, Bronx, NY.
- 1984 – 1996 Lecturer, Neural Science Course, College of Physicians and Surgeons, Columbia University.
- 1991 Visiting Lecturer, Department of Physical Therapy, University of Vermont, Burlington, VT
- 1989 Assistant Clinical Professor of Physical Therapy, College of Physicians and Surgeons, Columbia University.
- 1981 – 1989 Lecturer, Program in Physical Therapy, Downstate Medical Center, Brooklyn, NY.
- 1986 – 1988 Adjunct Assistant Professor, Teachers College, Columbia University.
- 1986 – 1988 Student advisement and research consultant, Program in Physical Therapy, College of Physicians and Surgeons, Columbia University.
- 1988 Lecturer, Pediatric/Developmental Disabilities Graduate Course, Programs of Physical and Occupational Therapy and Motor Development, University of Pittsburgh, Pittsburgh, PA.
- 1985 – 1986 Adjunct Associate Professor, Program in Physical Therapy, Long Island University, Brooklyn, NY.
- 1983 – 1985 Staff Associate, Center for Neurobiology & Behavior, College of Physicians and Surgeons, Columbia University.
- 1983 – 1986 Instructor, Program in Motor Learning, Teachers College, Columbia University.
- 1980 – 1982 Home Care Physical Therapist, Little Sisters of the Assumption Family Health Service, New York, NY.
- 1980 – 1983 Coordinator, Master Degree Program in Motor Learning, Teachers College, Columbia University.
- 1978 – 1980 Senior Physical Therapist, Maimonides Medical Center Home Health Agency, Brooklyn, NY.
- 1976 – 1978 Clinical Instructor, Program in Physical Therapy, Downstate Medical Center, Brooklyn, NY.
- 1974 – 1978 Staff and Senior Physical Therapist, Kings County Hospital, Brooklyn, NY.

Honors and Awards

May, 2015	Commencement Address, College of Health Related Professions and College of Nursing Commencement Ceremony, SUNY, Health Science Center at Brooklyn
May, 2015	Honorary Degree (Doctor of Science) from SUNY, Health Science Center at Brooklyn
June, 2014	Mary McMillan Lecture Award, American Physical Therapy Association
April, 2014	Distinguished Alumni Award, Teachers College, Columbia University, New York, NY
April, 2014	Commencement Address, Doctor of Physical Therapy Commencement Ceremony, Northwestern University School of Medicine
May, 2011	Commencement Address, Doctor of Physical Therapy Diploma Ceremony, Emory University School of Medicine
February, 2011	Pauline Cerasoli Lecturer, Education Section, American Physical Therapy Association
March, 2005	Elected, Catherine Worthingham Fellow of the American Physical Therapy Association (FAPTA)
February, 2005	Distinguished Lecturer, Carolee Moncur Lectureship 2005, Division of Physical Therapy, University of Utah
June, 2002	Leadership in Education Award, Education Section, American Physical Therapy Association.
October, 2001	Distinguished Lecturer, Luiese Lynch Lecture, Department of Rehabilitation Science, University of Oklahoma, Oklahoma City.
October, 2001	Distinguished Lecturer, Maureen Rodgers Visions for Physical Therapy Lecture, Rancho Los Amigos National Rehabilitation Center, Downey, CA.
June, 1993	Margaret L. Moore Award for Outstanding New Faculty Member, American Physical Therapy Association
January, 1988	Distinguished Alumni Award, SUNY, Downstate Medical Center, Brooklyn, NY.
May, 1974	<i>Summa Cum Laude</i> , Award granted with Bachelor of Arts, SUNY, Downstate Medical Center, Brooklyn, NY.

Professional Membership

Society for Neuroscience
American Physical Therapy Association
Research Section
Neurology Section
Education Section
California Chapter

Licensure

Physical Therapy NY 004080

II. SCHOLARLY ACTIVITY

Current Grant Support

2017 - 2022 Co-Principal Investigator, “Rehabilitation Research Career Development Program” NIH K12 (PI:K. Ottenbacher).

Previous Grant Support

2012 - 2017	Co-Principal Investigator, “Rehabilitation Research Career Development Program” NIH K12 (PI:K. Ottenbacher).
2011 - 2016	Co-Principal Investigator, “Post-doctoral Training program: Training Program in Rehabilitation Efficacy and Effectiveness Trials (TREET)” NIH T32 (PI: F. Clark).
2004 – 2007	Co-principal investigator (10% effort), “A Simulation Study of a Multi-Joint Alpha-Gamma Model for Trajectory and End-Point Control in Human Reaching Movements,” NSF IOB - 0352117 (\$240,000 over 2 years)
2003 – 2006	Principal investigator (10% effort), “Effects of Body-Weight-Supported Treadmill Training in Individuals with Parkinson’s Disease,” Kinetics Foundation (\$400,000 over 2 years)
2003 – 2006	Co-principal investigator (10% effort), “PTClinResNet – A Clinical Research Network to Evaluate the Efficacy of Physical Therapist Practice,” Foundation for Physical Therapy (\$1.5 million over 3 years)
2002 – 2003	Coordinator of Clinical Core (5% effort), “BION Treatment of Neuromuscular Dysfunction,” NIH Grant (Bioengineering Research Partnership R01)
1993 – 1995	Co-principal investigator (50% effort), “Trajectory Specification in Targeted Movement”, NIH Grant (R01)
1984 – 1993	Co-investigator (100% effort), “Trajectory Specification in Targeted Movement”, NIH Grant (R01)

Patents

- Schweighofer N, Choi YG, Han C, Gordon, J, Winstein CJ, Osu R (2009) Upper Limb Measurement and Rehabilitation Method and System. US Patent App. 12/619,534.

Invited Lectures (National Meetings)

1. Gordon J. “On the Origins of Motor Control as a Discipline.” Progress in Clinical Motor Control I: Neurorehabilitation. Penn State University, July 2018
2. Gordon J. Moderator and opening speaker at 2018 Eugene Michels Forum: “The Current Wave of Technology: Should We Ride it or Should We Start Paddling?” APTA Combined Sections Meeting, New Orleans, Feb. 2018
3. Gordon J and Childs J. “Debate: Future of DPT Education” The 2017 Graham Sessions. St. Petersburg, Florida, January 19, 2017
4. Gordon J. “Motor learning as therapy: A critical appraisal of the legacy of Ann Gentile” Ann Gentile Memorial Conference: The Future of Motor Learning in Rehabilitation and Movement Sciences. Teachers College, Columbia University, New York, November 2016
5. Gordon J. “Funding PhD Students and Programs” Symposium on PhD Programs for Research Intensive Physical Therapy Programs. Education Leadership Conference. Kansas City, Missouri, October 2014
6. Gordon J. “If greatness is a goal...” Mary McMillan Lecture. American Physical Therapy Association Annual NEXT Conference, Charlotte NC, June 2014

7. Gordon J. “Next steps: Advancing System Skills in Physical Therapy Academic and Clinical Settings (Panel Discussion)” Face into the Storm: Gaining System Skills Needed to Succeed in the Changing Healthcare Environment, Boston University, June 2013.
8. Gordon J. “Why are clinical trials important for the profession?” One of four presentations reacting to Ann Shumway Cook Lecture on “Challenges to translating neurorehabilitation research into practice” by Winstein at Combined Sections Meeting, Chicago, IL, February 2012
9. Gordon J. “Excellence in academic physical therapy: What is it and how do we get there?” Pauline Cerasoli Lecture, APTA Combined Sections Meeting, New Orleans, Feb. 2011.
10. Gordon J. “Educating Physical Therapists to meet Societal Needs” Catherine Worthingham Forum, APTA Annual Meeting, Baltimore, June 2009.
11. Gordon, J. “Overview of PTClinResNet” in Symposium: Patient Perspectives and Quality of Life: Early PTClinResNet Outcomes American Physical Therapy Association Combined Sections Meeting, New Orleans, San Diego, February, 2006
12. Gordon, J. “Top-Down Model for Neurological Rehabilitation” III-STEP Conference, Salt Lake City, July, 2005
13. Gordon, J. “From Disability to Recovery: A Top-Down Model for Task- Oriented Intervention in Neurologic Rehabilitation” Neuro-Developmental Treatment Association 2004 conference, Orlando, FL, May 2004
14. Gordon, J. "A Framework for Staging Clinical Trials: Pre-Clinical to Phase IV in Rehabilitation" Symposium on Clinical Trials in Rehabilitation, APTA Combined Sections Meeting, Nashville, TN, February, 2004
15. Gordon, J. & Quinn, L. “A Model for Task-Oriented Intervention in Neurologic Rehabilitation: Promoting Transfer and Functional Carry-Over.” American Physical Therapy Association Combined Sections Meeting, San Antonio, TX, February, 2001
16. Gordon, J. "Towards a clinical science of neurological rehabilitation: Issues in the development of a theory of practice" Conference on Conceptual Models for Therapeutic Practice, Teachers College, Columbia University, New York, April, 1996
17. Gordon, J. "Control tasks in posture and locomotion" Workshop on Neuromotor Processes in Posture and Movement, Teachers College, Columbia University, New York, March, 1995
18. Gordon, J. "Programming of extent and direction in reaching movements in subjects with intact and impaired proprioception" Conference on Multisegmental Motor Control sponsored by Section on Research of American Physical Therapy Association, New Hampton, NH, August, 1995
19. Gordon, J. "Commentary on presentation by G. Rizzolatti" Symposium on Sensory Mechanisms in Motor Coordination at Society for Neuroscience Annual Meeting, Miami, FL, November, 1994
20. Gordon, J. “Neuromotor control processes underlying posture and movement” Workshop in Motor Learning and Control, Teachers College, Columbia University, New York, October, 1994
21. Gordon, J. “A functional approach to teaching movement skills in the clinic” Two-day workshop at Symposium on Neurorehabilitation sponsored by Chicago Institute of Neurosurgery and Neuroresearch, Chicago, IL, November, 1993
22. Gordon, J. “Neuromotor control processes underlying posture and movement” Workshop in Motor Learning and Control, Teachers College, Columbia University, New York, October, 1993
23. Gordon, J. “Applying motor learning principles in the clinic: a task-oriented approach” 14th Annual Braintree Hospital Traumatic Brain Injury Conference, Boston, MA, September, 1993

24. Gordon, J. "Movement skill acquisition in clinical settings" Conference on "Meeting the Challenge: Practical Approaches to Stroke Rehabilitation" sponsored by National Rehabilitation Hospital and National Stroke Association in Rockville, MD, May, 1993
25. Gordon, J. "Neuromotor control processes underlying posture and movement" Workshop in Motor Learning and Control, Teachers College, Columbia University, New York, October, 1992
26. Gordon, J. "Parallel processing of direction and extent in reaching movements" Conference on "Biomechanics and Neural Control of Movement: Development" sponsored by Engineering Foundation at Ventura CA, July, 1992
27. Gordon, J. "Anticipatory guidance from a motor control perspective" 20th Annual Sensorimotor Integration Symposium, San Diego, CA, July, 1992
28. Gordon, J. "Principles underlying neurodevelopmental treatment approaches." Neurodevelopmental Treatment Association - Instructors Meeting, Chicago, IL, June, 1992
29. Gordon, J. "Facilitation of skill acquisition in clinical settings." American Physical Therapy Association Combined Sections Meeting, San Francisco, CA, February, 1992
30. Gordon, J. "Tone and spasticity." Neurodevelopmental Treatment Association - Instructors Meeting, Chicago, IL, June, 1991
31. Gordon, J. "Basic principles of motor control and motor learning." Neurodevelopmental Treatment Association National Conference, Newark, NJ, May, 1990
32. Gordon, J. "Theoretical assumptions underlying clinical approaches." Workshop in Motor Learning and Control. Teachers College, Columbia University, New York, NY, October, 1989
33. Gordon, J. "Control of posture and locomotion: neural mechanisms and biomechanical constraints." Seventh Annual State Conference of Connecticut Traumatic Brain Injury Association at Cromwell, CT, December, 1988
34. Gordon, J. "A method for testing models of trajectory control strategies." Conference on "Biomechanics and Neural Control of Movement: Development and Role of Models" sponsored by Engineering Foundation at New England College, Henniker, NH, July, 1987
35. Gordon, J. "Neural and biomechanical basis of tone and spasticity." Conference on "Motor Control: Theoretical Bases for Clinical Practice" Kessler Institute for Rehab., West Orange, NJ, September, 1986
36. Gordon, J. "Scientific and clinical contexts influencing change in clinical practice." Conference on "Innovation in Clinical Practice" Teachers College, Columbia University, New York, NY, March, 1984
37. Gordon, J. "Movement as problem solving: A motor learning perspective." Sixth Annual Postgraduate Course on the Rehabilitation of Brain-Injured Adult, sponsored by Medical College of Virginia at Williamsburg, VA, June, 1982

Invited Lectures (International)

1. Gordon J. "The role of academic excellence in the advancement of the physical therapy profession: The US experience." Keynote Address, 63rd Annual Conference of Physical Therapy Association of Republic of China, Taipei, Taiwan, March 2011
2. Gordon J. "USC Biokinesiology & Physical Therapy: Overview of the Educational/Research/Clinical Vision." Physical Therapy Department, National Taiwan University, Taipei, Taiwan, March 2011.
3. Gordon J. "Implementing the DPT degree: Lessons from the US experience." Special Lecture, National Cheng Kung University, Tainan, Taiwan, March 2011.

4. Gordon J. "Physical Therapy Education in the US: The USC Model." Keio University, Tokyo, Japan, June 2008.
5. Gordon J. "USC Biokinesiology & Physical Therapy: Overview of the Educational/Research/Clinical Vision." The 1st Pacific Rim Rehabilitation Seminar at Tokyo Bay: The Forefront in NeuroRehabilitation, Tokyo, Japan, June 2008.
6. Gordon, J. "Motor Control and Learning in Rehabilitation" One-day Workshop, Copenhagen, Denmark, August, 1999
7. Gordon, J. "Motor Control and Learning in Rehabilitation" One-day Workshop, Kolding, Denmark, August, 1999
8. Gordon, J. "Motor Control and Learning in Rehabilitation – Theoretical Framework and Clinical Implications" Three-day Workshop, University of Trondheim, Trondheim, Norway, June, 1998
9. Gordon, J. "Physiotherapy is Health: Towards a Clinical Science of Neurological Rehabilitation" Invited presentation at 4th Annual Nordic Research Symposium for Physiotherapists, Stockholm, Sweden, June, 1997
10. Gordon, J. "Contemporary Research and Theory in Motor Control" Post-Graduate Course for Physiotherapists, organizer and lecturer, sponsored by Nordic Research Council, Umeå, Sweden, June, 1997
11. Gordon, J. "Parallel processing of direction and extent in reaching movements" Departmental Seminar, Department of Kinanthropology, University of Quebec, Montreal, Canada, April, 1993
12. Gordon, J. "Roles of proprioceptive input in reaching movements." International Symposium on Treatment of Children with Movement Disorders, Stockholm, Sweden, August, 1991
13. Gordon, J. "Principles of force trajectory control." Research Seminar Series, School of Occupational and Physical Therapy, McGill University, Montreal, Canada, January, 1988

Other Invited Lectures and Presentations

1. Gordon J. "Back to the future: From RPT to DPT." Commencement Address, Doctor of Physical Therapy Graduation Convocation, Northwestern University Feinberg School of Medicine, Chicago, IL, April, 2014
2. Gordon J. "Six lessons from an accidental physical therapist." Commencement Address, Doctor of Physical Therapy Diploma Ceremony, Emory University School of Medicine, Atlanta, GA, May, 2011
3. Gordon J. "PTClinResNet: Translating the Results of the Clinical Research Network into Practice (Discussion Moderator)." APTA Combined Sections Meeting, Las Vegas, February 2009.
4. Gordon J. "Metrics for Excellence in Education (Discussion Facilitator)." APTA Educational Leadership Conference, Phoenix, October 2008.
5. Gordon J. Panel member, Diagnosis Dialog: Sharing Perspectives, PT2008, San Antonio, May, 2008.
6. Gordon J. "Overview and Introduction" Colloquium to Honor Ann Gentile: An Appreciation of her Contributions to Science, Education, and Practice (Co-Chair of Organizing Committee), Teachers College, Columbia University, May, 2008.
7. Gordon J, Slavkin H, Clark, F. "Mouth, Body, Spirit" Interactive program conducted at USC Parent's Weekend, October, 2007.
8. Gordon, J. "New Paths of Research Discovered Through the CRN" (Panel Discussion Moderator), PTClinResNet Annual Investigators Meeting, Washington DC, June, 2007

9. Gordon J, "Teaching Motor Skills in the Classroom" Lecture to Faculty of Program in Dental Hygiene, USC School of Dentistry, May 2006
10. Gordon, J. "Moderator, Research Session: Motor Control and Recovery in Neurorehabilitation" American Physical Therapy Association Combined Sections Meeting, New Orleans, February, 2005
11. Gordon, J. "Progress report from the coordinating center. What did it cost?", PTClinResNet Annual Investigators Meeting, Boston, MA, June, 2005
12. Gordon, J. "Beyond the Medical Model: A Top-Down Model of Rehabilitation and its Relevance for Research" Department of Physical Therapy and Rehabilitation Science, University of Maryland, April, 2005
13. Gordon, J. "The Future of Physical Therapy: Beyond the Medical Model?" Carolee Moncur Lectureship 2005, Division of Physical Therapy, University of Utah, February, 2005
14. Gordon, J. "Overview of PTClinResNet" Symposium on Clinical Research in California: Forwarding the Profession through Collaboration', California Physical Therapy Association Annual Meeting, Anaheim, CA, October, 2004
15. Gordon, J. "Plans for Dissemination and Extensions", PTClinResNet Annual Investigators Meeting, Chicago, IL, June, 2004
16. Gordon, J. "Standardization and training", PTClinResNet Annual Investigators Meeting, Alexandria, VA, August, 2003
17. Gordon, J. "A Model for Task-Oriented Intervention in Rehabilitation." Physical Therapy Staff In-service, Rancho Los Amigos National Rehabilitation Center, Downey, CA, November, 2001
18. Gordon, J. "A Model for Task-Oriented Intervention in Neurological Rehabilitation." Presentation during two-day course; Stroke Care: The Changing Image, sponsored by Health Care Professions Seminars and University of Southern California, October, 2001
19. Gordon, J. "A Model for Task-Oriented Intervention in Neurological Rehabilitation." 8th Annual Luiese Lynch Lecture, University of Oklahoma, Oklahoma City, OK, October, 2001
20. Gordon, J. "The Future of Physical Therapy: Beyond the Medical Model." Inaugural Maureen Rodgers Visions for Physical Therapy Lecture, Rancho Los Amigos National Rehabilitation Center, Downey, CA, October, 2001
21. Gordon, J. "Contributions of proprioceptive input to control of reaching movements" USC Motor Control and Locomotion Seminar Series, University of Southern California, Los Angeles, CA, January, 2001
22. Gordon, J. "The roles of proprioception in control of reaching movements" Departmental seminar, Department of Biokinesiology and Physical Therapy, University of Southern California, Los Angeles, CA, May, 1999
23. Gordon, J. "Guide to Physical Therapist Practice: A Critique" Boston University Department of Physical Therapy, Boston, April, 1999
24. Gordon, J. "Movement science and the Nagi model" Motor Learning Alumni Event, Department of Cell Biology and Anatomy, New York Medical College, Valhalla, NY, May, 1999
25. Gordon, J. "A Functional Approach to Teaching Motor Skills in Clinical Settings" One-day workshop, Chelsea Community Hospital, Chelsea, MI, November, 1997
26. Gordon, J. "A Disability Framework for Outcome-Oriented Physical Therapy" In-service, New York Foundling Hospital, New York, NY, July, 1997
27. Gordon, J. "Motor Control and Skill Acquisition" Workshop sponsored by Curative Rehabilitation Services, Milwaukee, WI, April, 1997

28. Gordon, J. "Neuroscience" Update in Neurologic Physical Therapy, sponsored by Neurological Section of APTA, Oakland, CA, November, 1996
29. Gordon, J. "Neuromotor Processes Underlying Posture and Movement" In-service, New York Foundling Hospital, New York, NY, August, 1996
30. Gordon, J. "Problem-Based Learning: Practical Application to Physical Therapy Professional Progress", Chairperson of short course, APTA Annual Conference, Minneapolis, MN, June, 1996
31. Gordon, J. "Beyond independence: Setting functional goals using a skill acquisitions framework" Hudson Valley District of APTA, North Tarrytown, NY, February, 1996
32. Gordon, J. "Does proprioception play a role in movement planning" Departmental seminar, Department of Cell Biology and Anatomy, New York Medical College, Valhalla, NY, September, 1995
33. Gordon, J. "Facilitating motor skills in clinical settings" One-day workshop sponsored by Care Rehab, Inc., Baltimore, MD, September, 1995
34. Gordon, J. "Problem-based learning in the physical therapy program at NYMC" In-service lecture sponsored by Physical Therapy Department, Westchester County Medical Center, Valhalla, NY, July, 1995
35. Gordon, J. "Normal and abnormal muscle tone" In-service lecture sponsored by Physical Therapy Department, Blythedale Children's Hospital, Valhalla, NY, June, 1995
36. Gordon, J. "Beyond independence: Skill acquisition as a framework for setting goals and measuring outcomes" Conference on Traumatic Brain Injury: Functional Assessment and Documentation, sponsored by University of Florida, Department of Physical Therapy, St. Petersburg Beach, FL, May, 1995
37. Gordon, J. "Facilitating skill acquisition in clinical settings" Two-day workshop at 1995 Spring Conference of Washington State Physical Therapy Association, Yakima, WA, April, 1995
38. Gordon, J. "Motor skill acquisition in clinical settings" Northern District of NJ APTA, Denville, NJ, November, 1994
39. Gordon, J. "Programming of extent and direction in reaching movements in subjects with intact and impaired proprioception" Departmental seminar, Department of Physical Therapy, University of Iowa, Iowa City, IA, April, 1994
40. Gordon, J. "Programming of extent and direction in reaching movements in subjects with intact and impaired proprioception" Departmental seminar, Department of Physical Therapy, University of Pittsburgh, Pittsburgh, PA, March, 1994
41. Gordon, J. "Motor learning and skill acquisition theory: Applications to the clinical setting" Two-day workshop at University of Alabama at Birmingham, sponsored by Alabama Physical Therapy Association, Birmingham, AL, September, 1994
42. Gordon, J. "Programming of extent and direction in reaching movements in subjects with intact and impaired proprioception" Departmental seminar, Department of Physical Therapy, University of Illinois at Chicago, Chicago, IL, March, 1994
43. Gordon, J. "A functional approach to teaching motor skills in clinical settings" One-day workshop at University of Maryland sponsored by Adventist Home Health Services, College Park, MD, September, 1994
44. Gordon, J. "Historical and current perspectives on control of movement" Symposium on Multidisciplinary Perspectives on Motor Control and Learning, University of Missouri-Columbia, Columbia, MO, April, 1994

45. Gordon, J. "Principles of skill acquisition" Hudson Valley District of APTA, White Plains, NY, February, 1994
46. Gordon, J. "Motor skill: A task-oriented approach" One-day workshop given to staff of National Rehabilitation Hospital, Washington, DC, May, 1993
47. Gordon, J. "Motor learning and skill acquisition: theory and application" NY State APTA Conference, Rochester, NY, May, 1993
48. Gordon, J. "Research in motor learning and control" Departmental Seminar, Department of Occupational Therapy, New York University, April, 1993
49. Gordon, J. "New perspectives on facilitation of functional movement skills" Workshop sponsored by Education Resources, Inc., Natick, MA, March, 1993
50. Gordon, J. "Motor control and learning: New perspectives and their implications for rehabilitation." Neurodevelopmental Treatment Association Northeast Regional Fall Conference, Melville, NY, November, 1989

III. ACADEMIC, ADMINISTRATIVE & SERVICE ACTIVITIES

Administrative Appointments

2006 – Present	Associate Dean, Division of Biokinesiology and Physical Therapy at the School of Dentistry, University of Southern California, Los Angeles, CA.
2000 – 2006	Chair, Department of Biokinesiology and Physical Therapy, University of Southern California, Los Angeles, CA.
1995 – 2000	Program Director, Program in Physical Therapy, Graduate School of Health Sciences, New York Medical College, Valhalla, NY.

Committee Activities (University Service)

University of Southern California (2000-present)

2019 – Present	Health Sciences Campus Master Plan Working Group
2015 – 2016	Advisory Search Committee for Associate Dean & Chair, Occupational Science & Occupational Therapy
2009 – 2011	Health Sciences Campus Master Plan Executive committee
2006 – 2009	School of Dentistry Executive Leadership Team
2006 – 2007	Design Team 3 (Education, Training and Career Development), CTSA (Clinical Translational Science Award) Planning Committee
2005 – 2006	University Search Committee for Dean of School of Gerontology
2005 – Present	Division awards committee
2004 – 2005	University Committee on Research (co-chair – HSC Zumberg Award Review sub-committee)
2004	Provost's Task Force on Restructuring of Independent Health Professions
2004 – 2005	Reviewer, Center for Interdisciplinary Research
2002 – 2003	University Search Committee for Director of Morris Medical Library
2001 – Present	President's Leadership Group (retreats in November 2001, May 2002, November 2003, November 2004, November 2005, May 2006, November 2006, November 2007, May 2008, November 2009, November 2010)

New York Medical College (1995-2000)

1999	Middle States Accreditation Faculty Task Group (Chair) (University)
1999	Search Committee for Chair of Department of Orthopaedic Surgery (University)
1999	Faculty Compensation Committee (University)
1999	Speech-Language Pathology Faculty Search Committee (GSHS)

1998 – 2000	Student Financial Aid Committee (University)
1998	Code of Conduct Committee (University)
1998	Re-engineering Committee (GSHS)
1995 – 1998	Subcommittee on Outcomes Related to Faculty (GSHS)
1995 – 2000	Admissions Committee – Program in Physical Therapy
1995 – 2000	Academic Policy Committee - Graduate School of Health Sciences (GSHS)
1995 – 2000	Appointments and Promotions Committee (GSHS)

Columbia University (1990-1995)

1993	Physical Therapy Committee on Optimal Class Size
1993	Physical Therapy Student-Faculty Advisory Committee
1990 – 1995	Physical Therapy Admissions Committee
1991 – 1993	Departmental Committee on Human Investigation (Chairperson, 1991-1992)
1991 – 1995	Departmental Representative to Faculty Council of School of Medicine

Committee Activities (Extramural Service)

2007 - 2015	Board of Advisors, University of North Carolina Division of Physical Therapy
2006 – 2008	External Advisory Committee, Clinical Research Training Program (K30), University of Illinois- Chicago
2006 – 2008	Member, Diagnosis Dialog Invitational Task Group
2001	Expert Panel on Rehabilitation – Canadian Fund for Innovation
2002 - 2005	Expert Reviewer – Canadian Fund for Innovation
1993	Special Review Committee, National Institute for Child Health and Human Development, National Institutes of Health
1992 – 1996	Doctoral Research Awards Committee, Foundation for Physical Therapy

Courses Developed & Taught

... at University of Southern California

2004 – 2018	Course Director (seminar) BKN-578 – <i>Classic Readings in Biokinesiology</i>
2002 – 2019	Lecturer (3 lectures) PT-521 – <i>Basics of Patient Management</i>
2005 – 2020	Lecturer (3 lectures) PT-621 – <i>Clinical Management of Orthopaedic Dysfunction</i>
2007 – 2020	Lecturer (3-5 classes) BKN-550 – <i>Neurobehavioral Basis of Movement</i>
2001 – 2017	Lecturer (1 lecture) PT-507 – <i>Professional Behavior</i>
2020 - Present	Live Session Instructor (Hybrid course) PT-546 – <i>Neuropathology</i>
2014 – 2017	Course Co-director (Lecture & lab) PT-546 – <i>Neuropathology</i>
2013	Course Director (Lecture & lab) PT-546 – <i>Neuropathology</i>
2008 – 2011	Module Coordinator and Lecturer (2 lectures) NEUR 532 – <i>Systems and Behavioral Neurobiology</i>
2001 – 2011	Lecturer (4-7 lectures) PT-569 – <i>Fundamentals of Neuroscience</i>

2010	Lecturer (1 lecture) NEUR 524 – <i>Advanced Neuroscience I</i>
2001 – 2009	Lecturer (2-3 lectures and 4 labs) PT-534 – <i>Neuroanatomy</i>
2002 – 2008	Lecturer (1-2 lectures) PT-624 – <i>Neurological Differential Diagnosis</i>
2001 – 2006	Lecturer (2-3 lectures) PT-581 – <i>Clinical Management of Neurologically Involved Patient</i>
2004	Lecturer (1 lecture) IEB-510a – <i>Integrative & Evolutionary Biology</i>
2000 – 2001	Lecturer (1 lectures) BKN-610 – <i>Movement: From Molecules to Behavior</i>

... at New York Medical College

1995 – 2000	Course Director PH1700.16.2 - <i>Professional Practice I</i>
1997 – 1998	Tutor PH1700.12.11 - <i>Clinical Science in Physical Therapy: Acute Care Conditions</i>
1998	Tutor PH1700.12.11 - <i>Clinical Science in Physical Therapy: Chronic Care Conditions</i>
1998 – 1999	Laboratory coordinator PH1700.3.4 – <i>Neuroscience</i>

... at Columbia University

1989	Course Director PTM8500 - <i>Scientific Inquiry</i>
1990 – 1995	Course Director P.T.M1650 - <i>Analysis of Motor Control: Neural and Behavioral Perspectives</i>
1990 – 1994	Course Director HPM6103 - <i>Neural Science</i>

.... at Teachers College, Columbia University (Motor Learning Program)

1982 – 1986	Course Director <i>Seminar in Neuromotor Processes</i>
1985	Course Director <i>Bases in Motor Control Processes</i>

... at Long Island University (Physical Therapy Program)

1985	Course Director <i>Motor Control Processes</i>
1986	Course Director <i>Motor Learning and Development</i>

Student Mentoring

Service on PhD Committees (USC)

2000 – 2001	Lara Boyd, Dissertation Committee (Dissertation Defense on 7/5/01)
-------------	--

2000 – 2003	Kathleen Ganley, Dissertation committee (Qualifying exam on 5/29/01; Dissertation Defense on 1/24/03)
2000 – 2004	Dorian Rose, Dissertation committee (Qualifying exam on 8/10/01; Dissertation Defense on 8/9/04)
2002 – 2004	Sean Flanagan, Dissertation committee (Qualifying exam on 4/2/03; Dissertation Defense on 6/10/04)
2003 – 2004	Hans Dreyer, Qualifying exam committee (Qualifying exam on 7/24/03)
2003 – 2005	Milana Mileusnic (Dept. of Biomedical Engineering), Dissertation committee (Qualifying exam on 8/29/03; Dissertation Defense on 8/15/05)
2003 – 2005	Albert Vallejo, Dissertation committee (Qualifying exam on 10/29/03; Dissertation defense on 5/24/05)
2003 – 2007	Jarugool Tretriluxana, Dissertation committee (Qualifying exam on 4/30/04, Dissertation Defense on 6/1/07)
2004 – 2007	Janice Lin, Dissertation committee (Qualifying exam on 5/31/05, Dissertation Defense on 5/30/07)
2004 – 2008	Nicole Jensky, co-Chair of Dissertation committee (Qualifying exam on 4/17/06, Dissertation Defense on 2/27/08)
2004 – 2008	Shruti Arya, co-Chair of Dissertation committee (Qualifying exam on 11/8/06, Dissertation Defense on 5/9/08)
2006 – 2008	Dan Song (Dept. of Biomedical Engineering), Dissertation committee (Qualifying exam on 5/9/07, Dissertation Defense on 6/5/08)
2006 – 2010	George Beneck, Dissertation committee (Qualifying exam on 6/30/08, Dissertation Defense on 6/10/10)
2007 – 2010	Jill Stewart, Dissertation committee (Qualifying exam on 12/11/07, Dissertation Defense on 6/14/10)
2007 – 2010	Feng Qi (Neuroscience Program), Dissertation committee (Qualifying exam on 12/1/08, Dissertation Defense on 5/12/10)
2007 – 2010	Young Choi (Dept. of Computer Science), Dissertation committee (Qualifying exam on 5/18/09, Dissertation Defense on 4/6/10)
2007 – 2008	Kathleen Garrison (Neuroscience Program), Qualifying exam committee (Qualifying exam on 5/14/08)
2008 – 2009	Giby Raphael (Dept. of Biomedical Engineering), Dissertation committee (Qualifying exam on 7/30/08, Dissertation Defense on 6/29/09)
2008 – 2009	Cheol Han (Dept. of Computer Science), Dissertation committee (Dissertation Defense on 7/14/09)
2008 – 2009	Rahul Kaliki (Dept. of Biomedical Engineering), Dissertation committee (Qualifying exam on 7/15/08, Dissertation Defense on 9/8/09)
2008 – 2010	Marcus Hauschild (Dept. of Biomedical Engineering), Dissertation committee (Qualifying exam on 5/30/08, Dissertation Defense on 1/19/10)
2008 – 2010	Hui-Ting Goh, Dissertation committee (Qualifying exam on 5/29/09, Dissertation Defense on 10/4/10)
2008 – 2012	Kristen Stearns, Dissertation committee (Qualifying exam on 8/31/09, Dissertation Defense on 4/27/12)
2008 – 2012	Mark Lyle, Dissertation committee (Qualifying exam on 5/24/10, Dissertation Defense on 3/27/12)
2009 – 2012	Shawn Sorenson, Dissertation committee (Qualifying exam on 12/7/10, Dissertation Defense on 3/2/12)
2010 – 2013	Ya-Yun Lee, Dissertation committee (Qualifying exam on 1/27/12, Dissertation Defense on 10/11/13)
2010 – 2014	Joanne Smith, Dissertation committee (Qualifying exam on 5/30/12, Dissertation Defense on 5/8/14)

2011 – 2015	Hyeshin Park, Dissertation committee (Qualifying exam on 2/20/13; Dissertation Defense on 5/6/15)
2012 – 2014	Gui Cesar, co-Chair of Dissertation committee (Qualifying exam on 4/5/13, Dissertation Defense on 10/1/14)
2012 – 2013	Sungshin Kim (Neuroscience Program), Dissertation committee (Dissertation Defense on 6/13/13)
2012 – 2016	Amar Bains (Neuroscience Program), Dissertation committee (Qualifying exam on 2/20/13, Dissertation Defense on 5/6/16)
2012 – 2016	Sujin Kim, Dissertation committee (Qualifying exam on 4/29/14, Dissertation Defense on 5/5/16)
2014 – 2017	Moheb Yani, Dissertation committee (Qualifying exam on 12/15/15, Dissertation Defense on 3/21/17)
2014 – 2017	Chunji Wang (Neuroscience Program), Dissertation committee (Qualifying exam on 12/10/15, Dissertation Defense on 5/9/17)
2015 – 2017	Bokkyu Kim, Dissertation committee (Qualifying exam on 12/7/15, Dissertation Defense on 10/9/17)
2015 – 2018	Helen Bacon, Qualifying exam committee
2015 – 2018	Michael Rowley, Dissertation committee (Qualifying exam on 8/22/16, Dissertation Defense on 5/17/18)
2015 – 2018	Abigail Fietzer, Dissertation committee (Qualifying exam on 10/4/16, Dissertation Defense on 3/19/18)
2016 – 2018	Irene Kuo, Dissertation committee (Qualifying exam on 10/3/16, Dissertation Defense on 4/20/18)
2016 – 2019	Andrew Hooyman, Dissertation committee (Qualifying exam on 9/6/17, Dissertation Defense on 5/1/19)
2017 – Present	Rini Varghese, Dissertation committee (Qualifying exam on 4/27/18)
2017 – 2020	Steffi Shih, Dissertation committee (Qualifying exam on 9/28/18, Dissertation Defense on 5/4/20)
2018	Victor Barradas (Biomedical Engineering), Qualifying committee (Qualifying exam on 10/25/18)
2020 - Present	David Ortiz, Qualifying committee

Service on PhD Committees (other Universities)

2008	Henry Tsao, Outside reader on Dissertation Committee (University of Queensland, Australia) Dissertation Defense, May 2008
------	---

Activities in Professional Organizations

2019 - Present	Participant, Workgroup to Develop Criteria for Excellence in Education, American Council of Academic Physical Therapy
2014 – Present	Executive Committee, Consortium of Research Intensive Programs in Physical Therapy
2013 – 2017	American Physical Therapy Association Awards Committee (Publications Subcommittee)
2014 – 2015	Immediate past-chair - American Physical Therapy Association - Council of Catherine Worthingham Fellows
2012 – 2014	Chair - American Physical Therapy Association - Council of Catherine Worthingham Fellows
2009 – 2010	Interim Board, American Council of Academic Physical Therapy
2008 – 2009	American Physical Therapy Association – Academic Programs Organizing Committee

2007 - 2008	AASIG Task Force on Advancement of Academic Physical Therapy – APTA Academic Administrators Special Interest Group
2008 – 2010	American Physical Therapy Association - Catherine Worthingham Fellow Review Committee
2010 – 2011	Chair - American Physical Therapy Association - Catherine Worthingham Fellow Review Committee
2007	AASIG Task Force on US News Ranking System – APTA Academic Administrators Special Interest Group
2004 – 2007	American Physical Therapy Association Awards Committee (Publications Subcommittee)
2006 – 2007	American Physical Therapy Association Awards Committee (Chair)

Consulting Activities

2019	External Review Team, Northwestern University (Assessment of Department of Physical Therapy and Human Movement Sciences)
2013	External Review Team, University of Toronto (Assessment of Department of Physical Therapy)
2013	External Review, University of Maryland (Assessment of Department of Physical Therapy and Rehabilitation Sciences)
2010	External Consultant, Doctor of Physical Therapy Program in The College of Physical Therapy at Princess Noura bint Abdul Rahman University, Saudi Arabia
2010	External Review Team, University of Maryland (Assessment of PhD in Rehabilitation Sciences)
2009	External Review Team, University of Washington (Department of Rehabilitation Medicine - Doctor of Physical Therapy Program Review)
2007	External Consultant, University of Illinois - Chicago (Search for new Chair of Department of Physical Therapy)
2007	External Review Team, University of Maryland (Assessment of Department of Physical Therapy and Rehabilitation Sciences)
2006	Chair, External Review Team, Temple University (Assessment of Department of Physical Therapy)
2006	External Review Team, University of Utah (Assessment of Department of Physical Therapy)
2004	External Reviewer, Hong Kong Polytechnic University (Assessment of Department of Rehabilitation Sciences)
2004	External Reviewer, Emory University (Assessment of Division of Physical Therapy)
1999	External Consultant, University of Wisconsin-Milwaukee (Evaluation of Proposal for Development of Physical Therapy Program)
1998	External Consultant, Utica College of Syracuse University (Evaluation of Masters Program in Physical Therapy for New York State Education Department)
1993 – 1995	External Consultant, “An analysis of the motor relearning of a standing reach activity in individuals with hemiparesis” (P.I. – Deborah Nichols, PhD, Ohio State University) Project funded by Foundation for Physical Therapy

Journal Editorial Boards

2008 – 2011	Editorial Board Member – Journal of Physical Therapy Education
2007 – 2009	Consulting Editor – Journal of Neurologic Physical Therapy

2002 – 2007

Editorial Board Member – Journal of Neurologic Physical Therapy

Peer review for journals:

Brain

Brain Research

Brain Research Bulletin

Child Development

Experimental Brain Research

Journal of Motor Behavior

Journal of Neurologic Physical Therapy

Journal of Neurophysiology

Journal of Orthopedic and Sports Physical Therapy
